

Part of Me, Part of You – Glenn Frey

Intro

Verse1 I **felt** it when the sun came up - **this** morning
I **knew** I could not wait a nother day
Darling, there is something I must tell you
A **distant** voice is calling me away

Pre-Chorus
Until we find **the** bridge across forever
Until this grand illu sion brings us home
You and I will al ways be together
From **this** day on you'll ne ver walk alone

Chorus
You're a part o' me, I'm a part o' you
Wherever we may travel
Whatever we go through
What-ever time may take a-way
It **can** not change the way we **feel** today
So **hold** me close and say you feel it too
You're **part** of me, I am part of you

Verse 2
I can **hear** it when I stand beside the river
I can **see** it when I look up in the sky
I can **feel** it when I hear that lonesome highway
So **many** miles to go before I die

Pre-Chorus
We can never **know** about tomorrow
But **still** we have to choose **which** way to go
You and I are standing at **the** crossroads
Darling, there is one thing you
should know

Chorus
You're a part o' me... 2x
